But we won't rest...there's more to come from Casella and the Town of Holden.

TOWN OF HOLDEN WASTE AND SINGLE STREAM RECYCLING GUIDE 2007

Casella Waste Services is ready to make all of your recycling more effective and yes...easier.

- // On average each person throw out **4.5 pounds** of waste a day
- // Casella recycles **2.8 billion pounds** of material each year
- // Our single-stream facilities are responsible for processing **1.6 million pounds**

 This was printing on 100% PCM recycled content.

Pick-up Calendar 2007

 = Weekly waste pickup, bi-weekly recycling pickup (green toter)

 = Holiday

Starting July 1st place all of your recyclables in the 96 gallon green toter.

We're making it easy to recycle. No more sorting recyclables into multiple bins. With Single Stream, instead of having to sort recyclables into separate containers, you just toss them all into one bin. Casella takes care of the sorting at one of our state-of-the-art single stream facilities.

PAPER

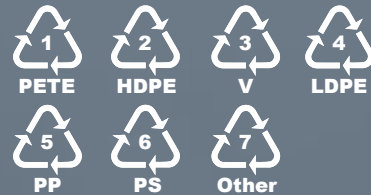

Acceptable for recycling

- // Magazines
- // Paper bags
- // Junk mail
- // Newspaper/inserts
- // Corrugated cardboard and paper board
