

Holden Municipal Light Department 2011 Energy Star Appliance Rebate Incentive

Holden Municipal Light Department is pleased to offer rebates to customers purchasing selected energy efficient ENERGY STAR refrigerators, clothes washing machines, unit air conditioners, dishwashers, dehumidifiers, or programmable thermostats. ENERGY STAR appliances have been defined by the Department of Energy (DOE) as being significantly more energy efficient than the average comparable model. The advantages of purchasing ENERGY STAR appliances are:

- Potential savings in energy costs of between 15 and 50%.
- Reduction of global energy consumption and need for additional generation
- Decrease in pollution from fossil fuels used to generate electricity
